prominently on the State ticket.

We believe Gen. Schenck would be the trongest nomination that could be made for Governor. He has the confidence of ple, being radical and right on the eading issues. Besides these indispensable qualities, he is a man of commanding slent, is a forcible speaker, and is well and popularly known not only in Ohio, but throughout the Union.

The Mt. Vernon Republican says that the taking of testimony in the ntest of Delano vs. Morgan, for the ight to a seat in Congress, has just losed, making a clear case in favor of Delano. The evidence showed that gan had been elected by the sid of Hegal votes. The Union men of that district are to be congratulated rpon the auspicious result of the investiga-

Jeff. Davis for President. As we supposed would be the case, the Democracy are seriously coundering the 107 idea of nominating Jeff. Davis for President in 1868. The New York Day Book, 111

sue indicates its choice as follows: Davis' imprisonment has been cru-infatmous, but on the whole, its remit has been a great triumph to himself personally. He has vindicated his posi-tion most nobly and heroically, and comes out of his prison without a stain upon his honor. If he will now come out for a restoration of the Union upon the white busis, we do not see how the Democratic party sident in 1828. Put on Edgar Cowan e can not see why this would not make a Vhite Man's ticket that would sweep the forth, restore the Uhion, and at once garate "the ers of good feeling."
